HEALTH SAFETY & ENVIRONMENT (HSE) POLICY

This policy reflects the commitment of IFFCO Pakistan to provide safe and healthy work environment for its workers and stakeholders by pro-actively preventing work related injury and ill health.

It includes prevention of accidents and preservation of natural environment in all processes of the company to manufacture edible oil and fats products.

It is inevitably important to fulfill all the relevant & applicable legal requirements in this regards.

To achieve the OHSE policy, specific objectives are set engaging the participation of employees according to their levels.

Appropriate resources provision and system improvement is ensured that mitigates the safety & environment hazards and risks in a continual systematic manner.
