Company Overview

Established in 1975, IFFCO is an Multinational group headquartered in the United Arab Emirates which manufactures and markets a well-integrated range of mass-market food products, related derivatives, intermediates, and services.

IFFCO Group runs 95 operations in 50 countries around the world and employs around 15,000 people. Its products reach 5 continents. With a portfolio of +80 brands, it has firmly established itself as one of the main and most diversified groups in the Middle East.

IFFCO has been a pioneer in the manufacture of vegetable oils for over three decades.

Throughout this period, the Group has consistently invested in advanced technologies, enhanced its consumer insights, and developed a deep understanding of diverse customer segments. Today, IFFCO is recognised as one of the world's leading producers of value-added vegetable oils and fats, offering a broad portfolio that includes refined oils, tailored blends, bakery fats, speciality fats, margarines, and butter blends. Our brands are trusted daily by millions of consumers, serving both food and non-food industries, as well as the wider food service channel.

Vision

" THE PREFERRED PROVIDER OF SUSTAINABLE VALUE-ADDED PRODUCTS AND SERVICES FOR EVERYONE, EVERYWHERE & EVERY DAY. "

This vision statement directs our core principles, enabling us to excel and inspire customers, suppliers and employees.

Values

All that we believe in and stand for is captured within a clearly defined set of values. These principles guide our actions, shape our decisions, and serve as a trusted compass. They are a visible indicator to all stakeholders of our identity, our purpose, and the standards to which we hold ourselves accountable.
