National Biscuits

This image shows a full page of a document template. It features a light gray background with ten evenly spaced horizontal black lines. The lines are thin and extend across the entire width of the page, providing a guide for writing or drawing. There are no margins, text, or other markings present.

ABOUT US

Established in 1982, National Biscuit Industries Ltd SAOG is a leading manufacturer of Biscuits, Wafers and Snacks in the Sultanate of Oman. “NABIL” is the company’s flagship brand, the other brands which National Biscuits manufactures and markets are “ORYX” and “TRENTS”. A much-loved tea staple in Oman, Nabil, Oryx and Trents biscuits are something most Omani population have grown up eating. Even today, many people across the country wake up to a cup of tea and Nabil, Oryx or Trents biscuit every morning. Little wonder that for millions of Omani it isn’t just any other biscuit: it’s comfort food! It is this emotional bond and unflinching patronage of our consumers that makes National Biscuit Industries Ltd. SAOG the pride of Oman. National Biscuits enjoys a consistent market share of 40% and higher in Oman. Oryx and Trents products have a strong presence in the GCC region, and are exported globally to more than 45 countries.

With a state-of-the-art manufacturing unit, using world-class machinery and technology, National Biscuits achieves a gold standard of quality products. Keeping the promise of excellence, raw materials are imported from the best-in-class manufacturers. Boasting of a largest portfolio in biscuits and snacks category, we are keenly understanding and adapting to the changing needs and mindset of our consumers. Some of the upcoming launches include Maamoul, Feast and Hangout. Our motto at National Biscuit Industries Ltd. SAOG is to be committed to provide customers with the highest quality products, a wide choice of flavours and excellent service.

Oryx & Trents products are regularly exported to more than 45 countries across the globe with a strong presence in all the GCC countries.
