ENDURING VALUES, ENHANCING LIVES

A customer-centric philosophy that paves the way for steady success.

SYNONYMOUS WITH STABILITY

IFFCO is an international group headquarted in the United Arab Emirates which manufactures and markets a well-integrated range of food products, related derivatives, intermediates and services.

SUCCEEDING THROUGH STRATEGIC SEGMENTATION

The Group's business is classified under these broad segments:
Impulse Foods • IFFCO Beauty • Oils and Fats • Culinary • Agri Business • Packaging • Sales and Distribution

Our story is rooted in consistent and prudent investments, leading to continuous, open-ended growth. Established in 1975, today we are a powerhouse of successful brands nurtured through dynamism and innovation.

Our group companies are present in 50 countries, supported by 95 operations, delighting consumers across five continents.

"THE PREFERRED PROVIDER OF SUSTAINABLE VALUE-ADDED PRODUCTS AND SERVICES FOR EVERYONE, EVERYWHERE & EVERY DAY."

ERCO PORT KHALED

SUSTAINABILITY

Our Sustainability Agenda is guided by our Vision:

“The preferred provider of sustainable value-added products and services for everyone, everywhere every day”

We have embarked on an important journey and are committed to contributing towards a sustainable shift in the food system. This entails a continuous improvement of our value chain practices to deliver food and services in a way that protects the environment, makes use of natural resources efficiently, and enhances the quality of life in communities. Planet, People, and Product are core elements in our Sustainability Agenda of investing in the future.

WORTH MELTING FOR

Chocolates

Tiffany Break offers a range of irresistibly crunchy, wafer-based, chocolate-coated treats crafted with the finest ingredients and passionate expertise. The delectable lineup under the Tiffany Break label is sure to delight consumers in more ways than one.

Tiffany Break features a portfolio of brands designed to cater to the snacking needs of fun-loving teenagers and young adults alike.

Quanta offers a wide range of snacking bars, each enrobed in deliciously creamy, rich signature chocolate and filled with a variety of power-packed, flavorful fillings.

Meanwhile, the Quanta Adore range of tablet chocolates delivers an indulgent experience, showcasing smooth, rich, and creamy chocolate created to satisfy even the most discerning consumers.

HERE IS THE SCOOP

Ice-cream

The coolest category in our portfolio, our ice cream division is a regional leader thanks to the freezer staples like London Dairy, Igloo and Quanta.

With a wide range of ice creams available in a multitude of formats – be it a cup, a cone, a stick, a bar or a tub – we've got something for everyone!

Catering to the largest audience in the GCC means we are constantly experimenting with exotic flavours and pushing the boundaries to delight our customers.

We source the finest ingredients from all around the world and bring them together in a blend that is truly indulgent and exquisite.

This is reflected in the quality of our products and the commitment of our fans. With the creamiest ice cream and the best ingredients,

it is no surprise that our brands are consistently chosen over others.

IT'S ALWAYS TEA TIME SOMEWHERE

Biscuits & Cakes

Tiffany Biscuits began baking everyday biscuits in 1989 – Glucose, Milk, Nice & Cream. Since then it has grown into a major category and has expanded into a full range including premium biscuits, butter cookies and indulgent chocolatey cookies.

With a presence in over 50 countries worldwide, Tiffany is the biscuit of choice all over the Middle East, Levant and Africa with a strong presence in Southeast and East Asia.

Voted by popular choice as the Most Chosen Food Brand in the UAE, Tiffany is committed to maintaining 'best-in-class quality' and always goes above and beyond to offer the most wholesome and delightful biscuits.

In addition to Tiffany, the National Biscuit Industries Ltd SAOG (NABIL) has a strong presence and is considered the leading manufacturer of biscuits, wafers, and snacks in the Sultanate of Oman. Nabil products can be purchased across the GCC and are exported to more than 40 countries worldwide.

Tom is one of Tunisia's oldest biscuit manufacturers. Tom offers a range of delicious products ranging from Chocotom, a perennial bestseller, to classic biscuits like Croquettes. With an offering of delicious biscuits as well as indulgent layered and cream filled cakes, like Tom Cake or the more whimsical Tomito, it is easy to see why Tunisia loves Tom!

CRUNCH POP & MUNCH!

Snacks

Our range of Snacks is all about flavours and fun - for all consumers, of all ages. Our corn chips, Bugles, are a firm favourite among the young & old alike, always adding fun to any situation. Our crinkle cut potato chips, Finns, are winning hearts and minds with flavour-packed punches in every crunchy bite and have become the favourite of the adventurous and those on the go!

In 2019, something new and exciting popped up! We launched the perfect wholesome yet tasty treat for the family to enjoy their time.
Papa Joe popcorn brought home the magic of the movies with ready-to-eat popcorn in 2 mouth-watering blockbuster flavours - Movie Theatre Butter and Classic Caramel.

LAYERS OF HAPPINESS

Wafers

Tiffany's delightful range of Wafers is a kitchen staple in most households across the GCC.

A winning combination of crispy thin wafers and decadent rich cream filling makes Tiffany Cream Wafers a favourite snack for any time and any age. Tiffany has a full range of Wafer offerings including the popular Crunch n' Cream family size in 5 delicious flavours and an on-the-go range of Tiffany Faro, Spada and Majesto.

Tom's wafers are known for their crunch and taste, as well as their diverse flavours selection. Sized for every occasion, Tom wafers are available in 5 different flavours, in family packs, as a mid-size snack under the Turbo brand, or as a single serving under Match wafers. Tiger's decadent coated wafers are perfect for some afternoon indulgence!

SHARING SWEET MOMENTS

Confectionery

TIFFANY's confectionery range boasts a tempting assortment of butter toffees, éclairs, cream fudge, candies, and fruit chews. The complete lineup includes ever-popular brands such as Deluxe and Cream Toffees, as well as the fun-filled Fruchews range, ensuring a delightful experience for everyone, from kids and teens to adults. A family favourite across the GCC, Tiffany confectionery is a staple at every celebration, perfect for sharing with loved ones or indulging in a sweet moment of your own.

Airlift is a new generation of chewy candies featuring a smooth, hard outer shell that gives way to a soft, chewy centre, delivering a satisfying burst of flavour in every bite.

Airlift Mint Chews, crafted for teens and adults, offer an intensely minty and refreshingly cool experience. Perfect for on-the-go breath freshening, these chews leave you feeling instantly revitalised and confident. Airlift Fruit Chews, designed for kids and teens, come in three delicious flavours: zesty lemon, juicy orange, and sweet strawberry. Packed with vibrant fruitiness, each chew delivers a playful and flavourful treat that's hard to resist.

COMFORT IN EVERY BITE

Portofino promises to bring authentic Italian taste to every pasta dish. With an assortment of popular traditional shapes, Portofino is made using 100% Durum Semolina, offering consistency of bite and a distinct taste profile. Our range of products includes Ditalini, Macaroni, Fusilli, Penne and Spaghetti, and is available in different shapes and sizes.

Pasta

Say hello to LDC Kitchen & Coffee

Food & Beverage

LDC Kitchen & Coffee is a UAE home-grown casual dining venue that offers a unique blend of culinary proficiency and relaxing ambiance. With a carefully curated menu and expertly crafted range of coffees, we have created a warm and welcoming space where guests can enjoy the LDC promise, “where everyone has a seat at the table”.

What started as a dessert parlour has grown into a stylish café concept with an amazing food and drinks offering that rightfully sits amongst the best in the city. The exciting food offering at LDC is matched by stylish interiors that give an eclectic mix of mid-century modern design and industrial art deco touches. The unique species of bird adorning the walls and found on the new logo has been specially chosen due to its penchant for shading under coffee trees, while the origami incarnation references the handcrafted dedication applied to every facet of the LDC experience.

By offering guests warm service, quality ingredients, impressive value for money and a passion for the craft that is unparalleled in today's mainstream, LDC takes great pride in elevating speciality coffee alongside a diverse selection of familiar food favourites for those who savour excellence.

For truly essential
selfcare.

“IFFCO Beauty

PASSION FOR BEAUTY

The Savannah story started over 25 years ago and since day one, we've been developing a growing range of beauty solutions that help women feel special all day, every day. From Egypt's number one soap, "Savannah Classic", to our latest innovations "Moments" and "Glow", all Savannah beauty products are made with long-lasting, moisturising formulations and top-quality fragrances, providing refreshing sensory experiences you're sure to love.

Luxurious beauty range

GET BACK IN TOUCH

Guardex is helping to protect the world, keeping everyone in touch with the people and places they love, enjoying fresh experiences and making new memories in the process. From hand sanitisers and sprays to shower gels and hand wash, the Guardex sanitising range is available in four refreshing fragrances. With Guardex, there is something to keep everyone safe, happy and back in touch.

Sanitising range with advanced technology

BEAUTY EVERYDAY

Smooth, glowing, velvety-soft skin – that's the IVY promise. We deliver it with fragrant hand wash, bar soap and shower gels that use the best ingredients and natural extracts to cleanse, moisturise and make families feel good.

The range consists of five variants – Herbal, Fruity, Creamy, Floral and Refreshing – to create a brand that benefits the personal care routines of women and families across the region.

Beautifully fragranced family favourites

EVERYDAY CARE FOR EVERY OCCASION

Solar is the three-in-one multipurpose soap solution for bath, laundry and dishes, conceived, developed and marketed by IFFCO Beauty. The products include soap bars and dishwashing liquid, within which we use only the best-quality, most-effective ingredients to ensure everything is cleansed - not just thoroughly and safely, but in a way that leaves behind a fresh fragrance for consumers to enjoy.

Two-in-one household solutions

SIMPLY BETTER SOLUTIONS

Taste & Health in every drop.

“Oils & Fats

TASTE & HEALTH IN EVERY DROP

Oils and fats

IFFCO provides a wide range of superior quality cooking oils and fats that enrich the taste of any dish while taking care of our consumers' health and wellness. Our commitment to superior quality and customer satisfaction, along with state-of-the-art facilities across Asia, Africa and the Middle East, paved the way for us to lead in regional innovations like Trans Fat-Free cooking oils, superior blends, and non-hydrogenated fats.

We have a wide range of healthy oils and fats comprising Sunflower Oils, Canola Oils, Olive Oils, Corn Oils and blended vegetable oil, complemented by our unmatched expertise in Butter and Ghee manufacturing. Across our range we have perfected taste delivery while putting consumer health at the heart of our brand composition; offering a nutritious range of low saturated fats, fortified with essential minerals and vitamins.

Noor, Sunny, Hayat and Fern are our leading global brands. With their established history of consistent promise, our brands have become iconic household names loved by our consumers, to whom we are committed to serving with passion.

FROM FARM TO YOU

Olive oils

Rahma Extra Virgin Olive Oil is produced from the finest olives in the Mediterranean region. It is 100% natural and obtained in a single cold extraction, ensuring its fruity taste and pleasant aroma. Rahma enjoys the trust of millions of consumers as a leading brand in the Middle East. The Rahma portfolio includes Extra Virgin, Organic and Olive Oil Pomace, plus Balsamic Vinegar, olives and a range of flavoured olive oil sprays.

Allegro Extra Virgin Olive Oil ensures a fresh and fruity taste, subtly balancing everyday dishes. Allegro is already part of a healthy diet for consumers in more than 40 countries. The Allegro wide range also includes flavoured olive oil sprays, offering added versatility for various culinary creations.

San Marco, a fruity and sweet Olive Oil, has a uniquely fresh and fruity aroma and is perfect for pasta dishes, desserts, meat, poultry, fish, light summer soups and salads.Our collective range of Olive Oils offers a wide portfolio of products, including Organic Olive Oil, Special Harvest, Flavoured Olive Oil, Olive Oil Pomace, Balsamic Vinegar and a variety of flavoured sprays to suit every taste and cooking style.

OUR OLIVE FARMS

PREMIUM INGREDIENTS FOR PREMIUM BAKING

Bakery Ingredients

At IFFCO Bakery Ingredients Division, we specialise in the art of baking and optimising the functional characteristics of breads and pastries with the support of our food scientists at our international R&D centre in creating perfect bakery formulations to cater to the various needs of our customers all over the Middle East and Africa.

We specialise in the manufacturing of dry bakery solutions, providing technological support in the region, including tailor-made recommendations based on the equipment, production process and type of final bakery application for individual customers.

Our product portfolio includes a wide variety of bread improvers, bread and donut mixes. We also offer an exclusive range of patisserie mixes, concentrates and much more.

IFFCO INDUSTRIAL SOLUTIONS

IFFCO facilities in the United Arab Emirates, Egypt, Saudi Arabia and Pakistan are the first in the region to be members of the Roundtable on Sustainable Palm Oil. The four pillars that guide IFFCO's palm oil processing units are Planet, People, Partnership and Profit.

IFFCO produces a wide range of premium quality fats and oils that cater to the food, feed, health and technical industries worldwide. IFFCO offers the best value to consumers and is the most preferred supplier to the food industry. Our fats and oils are widely used in biscuit manufacture, fried foods, confectionery, cheese, chocolate, baked goods, ice cream, margarine, foodservice, spray drying, animal feed and non-food industries like cosmetics, paints, etc.

CRAFTING TASTY EXPERIENCES FOR GENERATIONS

Culinary

Our culinary portfolio is crafted to perfection, offering a diverse range across three key divisions:

Condiments Wet, Condiments Dry, and Creams. From flavourful ketchups, mayonnaise, and sauces, seasonings, soft serves, sprays and premium cooking and whipping creams, our products cater to both B2B and B2C audiences.

Each product is developed with meticulous care, using superior quality ingredients to meet the unique needs of retail consumers and professional chefs. Whether enhancing everyday meals or elevating gourmet creations, our offerings deliver unparalleled taste, versatility, and consistency, empowering kitchens across the globe with solutions tailored to local and international preferences.

Packed to the brim with good health.

“Agri Business

EXPERIENCE WHOLESOME GOODNESS

Flour

As one of the leading regional manufacturers of wheat flour, our portfolio includes flours from wet milling, dry stone, and heat treatment processes catering to a variety of baking and cooking applications across channels.

For Out-of-Home customers, we provide different types of flours under the "Emigrain" brand including Premium flour for breads and sweets, Arabic flour for Arabic breads, and All-Purpose flour for other applications. The range also includes Tandoor flour, Paratha flour, High-Protein flour, wheat Bran, and Harees. Our Chakki Atta (whole wheat flour) caters to Asian-specialised bakeries and restaurants. The "Pristine" brand carries a specialty flour range including Cake flour, Pizza flour, and Patisserie flour. For Industrial uses, Biscuit flour caters to biscuit manufacturers, and Aestivum wheat and Durum wheat semolina in various granulations are used to create a range of pasta and artisanal products.

The renowned "Al Baker" brand offers a range of essential flours to consumers across retail stores. This includes All-Purpose flour, Patent flour, and Brown flour. Additionally, we offer Chakki Atta, and Multigrain for Asian bread applications. Corn flour and Semolina are also offered. Under the "Swarna" brand, Chakki Atta and Roasted Semolina are available for consumers in the United States of America, the United Kingdom, Ireland, Canada and Norway.

ONLY THE HEALTHIEST FEED FOR YOUR LIVESTOCK

Animal Nutrition

IFFCO Animal Nutrition is one of the leading suppliers of animal nutrition products in the Middle East and Africa region. We provide cost effective solutions that help to increase sustainable livestock and aquaculture farming operations.

Our sustainable solutions include compound feed, premixes, feed additives, feed ingredients, bypass fat and customised services.

THE HIGHEST QUALITY NUTRITION PRODUCTS

FRESH FRUITS FROM AROUND THE WORLD

Fruits

Over the last four decades, we have become one of the leading importers of various fruits from around the globe with the purpose of catering to the growing fruit demands of consumers in the Middle East.

We procure from the leading growers of fresh fruits in the region and because of our strong distribution network, we can meet the needs of our consumers in the United Arab Emirates and Gulf Cooperation Council markets.

FRESH FROM THE FARM

Fresh Poultry

Aiming for excellence and diversity in all food categories, IFFCO began providing fresh chicken products in 2008 under Al Khazna brand. Our vision is to supply fresh chicken, produced on our farms in the green oasis of Al Ain, every day to every family, with a promise to offer natural and healthy living. Today Al Khazna Fresh Chicken has become one of the leading brands in the market. It offers whole chicken, portions and pre-cut parts catering to every need.

In order to expand in the region within the Fresh Chicken category. IFFCO partnered with Atyab Investments, an investment arm of Oman Flour Mills. Sohar Poultry SOAC started fresh chicken operations from Oman under the brand name "A'Rayaf" in 2010. A'Rayaf range includes fresh whole chicken and portions produced in state-of-the-art facilities to serve quality products daily to consumers in Oman and the UAE.

IFFCO has the largest Hatchery operations for the broiler industry that serves the majority of local demand in the UAE.

TREAT YOURSELF TO WHOLESOME NUTRITION

IFFCO Emirates Poultry Farms was set up with the objective of providing regular fresh eggs and enriched eggs to consumers under the Khaleej brand.

These quality eggs are delivered fresh every day from the farm to the stores. The hens are treated with utmost care in a stress-free environment, ensuring only the best quality eggs to consumers.

IFFCO is a joint venture partner with the Arabian Food Production Company in Oman which is a table eggs project having farming facilities in the UAE and Oman, catering to the needs of consumers in the Gulf region under Khaleej, Dana & Baledi brands.

Eggs

WELCOME FROZEN FOODS IN YOUR LIFE

Frozen Foods

Our Frozen Food Division is a one-stop bakery supplier that offers a wide variety of ready-to-bake and ready-to-serve frozen products such as parathas, croissants, cookies, muffins, brownies, and puff pastry items.

Our wide Out-of-Home range is sold under the "Pristine" brand and caters to different needs in the market. The majority of the products can be served fresh to your customer within 30 minutes of removing from the freezer. This enables you to always have fresh products on hand at very short notice which is consistent, convenient and greatly minimises your wastage costs.

IFFCO also selectively caters to private label requirements of large retail chains, as well as other international and local brands for bakery products.

Our retail portfolio sold under the "Al Baker" and "Hayat" brands consists of a wide range of frozen parathas that are made from the finest flour to ensure we provide convenience with the highest quality for every occasion to the consumer.

RAISE THE BAR WITH HEAT TREATED INGREDIENTS

IFFCO is the first company in the region to have Hydrothermal Technology integrated well with the flour milling operation based in the UAE. This modern technology offers heat-treated Ingredients such as low-moisture dried flours, functional and hygienic flours, as well as heat-treated cake flour which is an alternative to bleached flour. It also offers nutritional ingredients including toasted wheat germ, toasted wheat bran, other thermally treated cereal flour, and cereal derivatives.

This new range of heat-treated ingredients is in line with the major upcoming trends for food ingredients like Clean Label, Food Safety, Convenience, Nutrition, and Waste Reduction. Therefore, heat-treated ingredients find their applications in seasonings for snacks, meat coatings, soups and gravies, biscuits and cookies, health drink powders, breakfast cereals, granola bars and many more nutritional products.

WORLD-CLASS PACKAGING

LEADERSHIP IN PLASTICS - We are the market leader in the manufacturing and supply of PET Preforms, Bottle Caps, Tools, Die & Molds, PVC Compounds, PVC Waterstop and Colour Masterbatches. Our brands are: Empet, Emcap, Emmold, Emvin, Empro, and Emkolor. We are the preferred supplier for leading multinational brands in soft drinks (cola), water and alternative beverages having innovative solutions to improve barrier properties in PET bottles.

We are the leading manufacturers of PVC compounds for various industrial and construction applications. Our Waterstop profiles are used by leading multinational companies for waterproofing and water retaining of structures.

Our product solutions reach more than 50 countries across the globe with a major focus on the Middle East and the African continent.

All our manufacturing facilities have key ISO and HACCP certifications.

OUT-OF-THE-BOX SOLUTIONS

OUT-OF-THE-BOX SOLUTIONS -To support our various packaging requirements, IFFCO has established a strong presence in select packaging and industrial products. International Packaging Company (IPC) operates a world-class corrugated paper plant in the United Arab Emirates, making corrugated packaging products suitable to protect, ship, store and display a wide range of products. IPC serves customer needs across consumer, commercial, industrial and agricultural markets in the GCC region and MENA markets. We offer high-quality, cost-effective and innovative packaging solutions to meet the needs of all sectors of the market. We serve some of the leading names in the region. Whatever the type of goods, we have the right kind of corrugated carton solution for it.

Our proven quality and capabilities have also led to our customers developing a marketing edge in their respective markets.

Retailing happiness all around.

Sales & Distribution

IFFCO CONSUMER

IFFCO Consumer has become a sales powerhouse across the Middle East, Africa and the Levant. Headquartered in the UAE, we have been in the region for over 45 years, with a proven record of professional execution and dedication to ensure that our resources lead and influence the market. We achieve constant growth and development by monitoring our performance through different data sources and improving the way we work.

Our team is comprised of well-trained professionals with ample experience in the sales, trade marketing and distribution businesses. We aim to keep our customers satisfied with our quality service and reliability.

We can serve anywhere and anytime and have a proven success record with various dry, temperature-controlled and frozen goods. With a focus spanning most modern outlets from small groceries to hypermarkets, we penetrate the market exponentially.

In 2018, our doors opened to partner with non-IFFCO companies to distribute and build their regional brands.

IFFCO

Your Vision; Our Solutions

Cost Efficiency

Fast & Personalised Solutions

Flexible & Customised Applications

Signature Solutions

IFFCO Professional was formed to become the broadline solution provider for any operator within the professional industry, supplying food, beverage, non-food products and services.

IFFCO Professional service is at the heart of our business; our team can provide both off-the-shelf and customised solutions. Moreover, our business integration allows us to manage the complete supply chain from farm to fork, delivering the highest global quality standards with consistency time after time.

We deliver value to your business with our highly efficient production & logistic networks that we own and manage across Arabia, Africa, Asia and beyond.

Flexibility, Agility and Service are at the heart of our business, delivering value and helping our customers to achieve their desired level of excellence.

IFFCO BEVERAGE SOLUTIONS

KARAK YOUR WAY - Anytime Anywhere KARAK is made with natural tea extract rich in polyphenols along with real milk. Just Chill gives more milk to consumers to deliver that authentic KARAK experience. Want More? Just add Ice and Milk with some "Shake-Shake" action to make an exciting KARAK Frappe as easily as a cup of Hot KARAK. It is available in single-serve sachets and value packs.

With best-in-class dispensing equipment, world-class service across the region and the superior taste of our award-winning portfolio, the KARAK experience is delivered to consumers across leisure, entertainment and QSR channels.

Professional Range - Every serving of beverage you create should offer a consistently exceptional experience for your customers. With this goal, the Just Chill Drinks Co is at the heart of all beverage experiences for baristas, mixologists and culinary experts in the region. The ingredients of our easy-to-use blends have been carefully selected from the purest of sources and skillfully combined to reveal their charm with each sip and include a range of powders, syrups and sauces.

"ICEE", the World No. 1 Frozen Treat from America with less than 100 calories per serving, comes in a mélange of great colours and flavours, and has been delighting consumers in the GCC since 2019.

EXTRAORDINARY VALUE THROUGH QUALITY

**Irrespective of what we produce,
Our ultimate offering is quality.**

EXCELLENCE FIRST - AND FOREMOST.

IFFCO has a long-held reputation for quality across all business segments. This reputation is maintained and enhanced by quality and safety programmes such as ISO 9001:2015 - Quality Management System and FSSC 22000 - Food Safety System.

These systems, in conjunction with IFFCO's comprehensive HACCP and HALAL programmes, guarantee that both product quality and food safety are assured at every step of the process.

To complement the comprehensive Quality and Food Safety systems, our manufacturing facilities have some state-of-the-art laboratories that not only confirms adherence to specifications, but also ensures that all our products are in compliance with the relevant food safety requirements. To deliver the accuracy and reproducibility of analytics, our central laboratory and QA laboratory are accredited testing laboratories to ISO/IEC 17025:2017 Laboratory Management System standards, this is coupled with our highly qualified and experienced analytical team.

Our quality team assures that each consignment has been subjected to a thorough and rigorous quality regime that guarantees the 'right product' for your business.

FSSC 22000 · HALAL · ISO 17025:2005 · Emirates Quality Mark · AIB INTERNATIONAL

SEAMLESSLY CROSSING THE BOUNDARIES OF GROWTH

IFFCO UAE

IFFCO UAE delivers food excellence through a fully integrated supply chain, sourcing premium ingredients from across the globe, transforming them with advanced manufacturing technologies, and bringing them to market through a robust distribution network that preserves freshness and consistency for our discerning consumers.

Through dedicated Centres of Excellence across our core categories, IFFCO UAE accelerates innovation, advances application-based research, and supports both customers and manufacturing operations across all markets.

Beyond products, we are committed to building a diverse and inclusive workplace, advancing the UN Sustainable Development Goals, strengthening communities, and contributing meaningfully to the nation's economic growth.

Above all, our consumers remain our greatest strength, recognising and trusting our iconic brands, London Dairy, Igloo, Tiffany, Noor, Al Baker, and Rahma, as the leading brands in their respective categories.

IFFCO KINGDOM OF SAUDI ARABIA

DELMON PRODUCTS LTD

Delmon Products Limited was established in 2012 to cater to the burgeoning demand for our products in the region. It is IFFCO's second edible oils manufacturing facility in the GCC and operates the second largest edible oil refinery in Saudi Arabia. Delmon Products Limited has state-of-the-art refining, processing, bottling, packing and warehousing facilities that can process and pack all types of vegetable oils and fats.

Along with our facility in Sharjah, it manufactures and distributes products of the highest quality under the GCC Oils and Fats umbrella, catering to highly diversified markets stretching from Europe to Asia, Africa, and the Middle East.

Batam is a Free Zone, strategically located near Singapore, along the busy international trade routes through the Asia Pacific region, and South Asia, Middle East, Africa & Europe. PTSON exports derivatives of palm both in bulk and packed forms to various markets. Packed formats include RBD Olein in jerry cans, tins, bag-in-box, and pouches.

Brands: IFFCO, Hayat, Tristar, Sunny, Felza, Maha, Alfa, and Jawaher.

IFFCO SINGAPORE

IFFCO SINGAPORE (ISPL) & IFFCO SEA (ISEA)

IFFCO Singapore (ISPL) and its subsidiary, IFFCO SEA (ISEA) are the procurement, chartering, trading, and commodity risk management arm of the IFFCO Group. It procures palm and lauric oils mainly from Indonesia and Malaysia. Sunflower oil is sourced from Ukraine and soya oil comes from Argentina and Saudi Arabia. Also, other minor oils like canola, corn, and olive are sourced from diverse origins.

ISPL charters vessels for the movement of edible oils from their origins to various IFFCO refineries which are spread globally. In addition to servicing IFFCO refineries, it also trades edible oils in the physical as well as OTC markets.

ISPL is responsible for the global commodity risk management of the Oil & Fats business segment. IFFCO Group is committed to sustainable sourcing of edible oils and ISPL spearheads and manages this effort.

IFFCO AFRICA

IFFCO Africa has a well-established distribution network across Senegal, Sierra Leone, Ghana, Angola, DRC, Ethiopia, Uganda, Tanzania, Rwanda, Djibouti, Mauritius, Somalia and Madagascar, engaged in business development of the group's product categories across the West, Central, and East African markets. We are now poised to increase its access to the SADC markets through South Africa with a focus on delivering value to our customers across the continent. Customers' delight is the core of our brands and our commitment to deliver enduring quality has enabled us to enhance the distribution of some of our most preferred brands, including Hayat, Sunny, Noor, Tiffany, Alfa, London Dairy, Savannah, and Royal Lather.

FR WARING (HOLDINGS) PROPRIETARY LIMITED

Founded over 95 years ago in 1929, FR Waring (International) (Pty) Ltd is a leading and integrated agri-commodity trading house, The core focus is the trade of bulk vegetable oils and fats to South Africa and neighbouring countries, where we are recognised as active participants in the market for the supply of crude and refined soft oils, palm oil products, tallow, oilseeds, glycerine, and oilcake protein.

Through our global network of suppliers in the major producing nations of South America, West and Eastern Europe and South-East Asia, we are able to offer a full range of vegetable oils and fats to buyers in our core markets. Our professionalism and responsiveness are valued by our customers and partners in the region, from Nacala, Mozambique to Cape Town in South Africa and at most ports in between. We have invested in port tank storage along the South East African coast.

Other related activities and services are offered to primary and secondary processors of vegetable oils and fats, including commodity and currency hedging, financing, storage, and logistics. Also, our business is today vertically integrated into the vegetable oils and fats value chain, through local asset investment in oilseed crushing, vegetable oil refining, toilet and laundry soap manufacturing, as well as table and industrial margarine production.

IFFCO TÜRKIYE

Established in the Izmir Atatürk Organized Industrial Zone (IAOIZ), IFFCO Türkiye operates a state-of-the-art production facility in Izmir and a sales office in Istanbul. Its advanced manufacturing capabilities enable the production of value-added edible oils, specialised fats, and margarine tailored to the needs of industrial customers, bakeries, and retailers.

IFFCO Türkiye exports to the Balkan countries, Georgia, the Middle East, the United States, and the Far East under the Felza and Alfa brands, supported by a broad portfolio of edible oils, shortenings, and margarine products.

Brands: IFFCO, Alfa, Felza.

IFFCO VELVET

IFFCO VELVET is a modern company that offers a wide and innovative range of ingredients for bakery, pastry and ice cream products. The company specialises in the production of fruit fillings, jams, compound creams, bread mixes, bread improvers, sugar pastes, ice cream pastes, variegates, and more. Based in Sarajevo, Bosnia and Herzegovina, the company's vision is to expand its presence and the sales chain across EU countries and beyond. IFFCO VELVET has been operating for more than 25 years. Currently, the company has more than 70 employees. IFFCO VELVET follows the latest technological trends with a modern approach to the organisation of work. The company is certified with the latest and the most important food production standards. All this guarantees the high quality and safety of our products.

IFFCO ITALIA

IFFCO Italia specialises in the production of sweet and savoury dairy and non-dairy creams for retail and professional markets in the bakery and foodservice sector. Its flagship brands are Hulalà, Spray Pan, and Gran Cucina, which have a solid reputation for excellence in most countries around Europe.

HULALA', the global specialist for non-dairy creams, was introduced by Pristine in the Out-of-Home Channel. With its complete range of non-dairy and blended solutions, Hulalà offers innovative and high-performing whipping and cooking products. Hulalà is the Patissier's best friend when it comes to filling and decorating cakes, and the favourite of any chef who wants to prepare savoury, creamy, or rich specialities.

SPRAY PAN is an iconic household name in the Italian market, synonymous with excellence in quality. In the spray cream segment, Spray Pan is a well-known brand, loved by everyone.

GRAN CUCINA is the non-dairy, cream specialist in the kitchen. Gran Cucina vegetable-based creams and béchamel satisfy the needs of consumers who look for an impeccable, lighter taste, and superior cooking performance.

Brands: Hulalà, Spray Pan and Gran Cucina.

IFFCO FRANCE

FELDA IFFCO FRANCE SAS

FELDA IFFCO France SAS has a mandate to identify new markets and investments in alignment with the Group's expansion strategies in Europe. The company is also responsible for catering to the catchment areas along the west of the Suez Canal, Africa, and the Americas. This includes the sales of bulk oils and oil products coming out of the Asian refineries of IFFCO.

IFFCO IBERIA

IFFCO IBERIA includes facilities with the most modern technology in Spain, the country with the largest olive oil production globally, with 50% of world production.

The bottling plant is located in Escúzar (Granada). It has high-performance, fully automatic and flexible bottling lines and is destined to be the principal operations centre of our company's olive oil. Its laboratory is one of the most advanced, equipped with the latest technology, which allows us to be fast, selective, and efficient. This bottling plant already has the certifications IFS, BRC, and Organic.

Our commitment to the environment is a central pillar, which is why we have constructed a photovoltaic plant in our facilities to cover 85% of the energy cost of the same, which will reduce the emission of 150.000 KG of CO2 per year.

Brands: Rahma, Allegro, SanMarco and PEPE.

MOVING SMOOTHLY ON THE STRENGTH OF EFFICIENT LOGISTICS

We ensure that the goodness we create is never lost in transit.

LOGISTICS
SHIPPING
ROAD TRANSPORT

BRANDS THAT BRING YOU JOY

Every hour, every minute of the day,
our brands bring a smile to millions of faces…
Spreading happiness every day!

EXTENSIVE TRANSPORTATION BY ROAD

With a commercial fleet of over 600 vehicles, we own and manage a widespread network across the Middle East and the Levant. The fleet includes purpose-built carriers like grain hoppers, refrigerated trailers, curtain siders, feed trailers and bulk tankers dedicated to serving the institutional segment.

We have an extensive fleet of refrigerated trailers operating with full temperature management throughout the delivery chain.

All vehicles are fully tracked by an up-to-date fleet management tracking system, giving full visibility of the vehicle at any stage of the delivery chain.

STRONG LOGISTICS FOR A SMOOTH FLOW

Our services include ship chartering, shipping agency, freight forwarding, transportation and warehousing – all strengths that have been built in-house. For us at IFFCO, logistics is an important strategic factor that guarantees the smooth, optimal flow of our products from factories to shop shelves.

COMPETENCE IN PROCUREMENT, HANDLING AND STORAGE

At IFFCO, efficiency in procurement, handling and storage of bulk raw materials is a crucial priority. In the process, we have developed core competencies in this area, with our team of experienced professionals ensuring an optimal buying programme vis-a-vis the current global trends. Our sheer scale of operations necessitates prudent investments in storage and material handling infrastructure. The storage sites, strategically located in or near seaports, enjoy unmatched locational advantages with their silos and tanks within 100m of vessel berths. Port Khalid and Hamriyah in the United Arab Emirates, Yanbu Port in Saudi Arabia on the Red Sea, Abadiyah on the Red Sea and Damietta on the Mediterranean Sea in Egypt, Port Qasim in Pakistan, Port Klang and Pasir Gudang in Malaysia, Batam in Indonesia – all have storage facilities within the port.

We use advanced technology for efficient and cost-effective unloading. Through quay-located ship unloading, underground ship-to-silo conveyor systems and mobile ship-to-silo piping arrangements, we achieve minimal human intervention, maximum speed and error free operations.

EFFICIENT MOVEMENT BY SEA

Our ship chartering team scouts global markets to ensure cost-efficiency in bulk freight contracts and supports our bulk commodity procurement programme. All vessel unloading needs are attended to by our shipping agency service with promptness and efficiency, while our centralised freight forwarding function makes sure that all import movement of raw material and to-market products is cost-effective and on schedule.
